**Attention: Mr. Alec Harmer,  
President/CEO**

Dear Sir:

As requested, we are writing to provide a quotation for our fees for audit services for 2021, should we be reappointed the company's auditors for 2021. Our proposal for 2021 with a comparison to 2020 and 2019 quotations are as follows:

	2021	2020	2019
	\$	\$	\$
Audit fees (before HST) – excluding tax return preparation	31,250	30,000	29,000

Other services provided would be billed separately. These services historically have included the preparation of the corporation's income tax returns, assistance with specific accounting matters during the year and audit committee meeting requests. Our fees for other services have been in the range of \$10,000 to \$15,000 and we would anticipate this range to be applicable for the 2021 year depending on attendance needs, legislative changes, and the company's tax position.

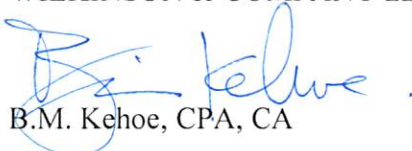

We would like to note that the above quotation does not include a provision for any additional time for services that may be required as a result of any changes to the company's financial statements due to the new introduction of accounting or disclosure requirements or any additional taxation issues that may arise as a result of changes in legislation or reporting requirements.

We are very pleased to be given the opportunity to provide a quotation for these services and to have been able to provide audit and tax services to the corporation in the past.

We trust the above is satisfactory, and if you have any questions, please do not hesitate to contact this office.

Yours truly,

WILKINSON & COMPANY LLP
